1. You must be in a wheelchair, a scooter or use oxygen to apply for a handicapped parking spot.
2. You must attach a copy of your State Issued Handicapped Parking Pass in order to apply.

I would like to apply for a Dock Area Handicapped Parking Pass at Holiday Fair. I understand that these parking spaces are not guaranteed. I agree to comply with Holiday Fair regulations set forth in the 2024 Prospectus & Application Packet.

PLEASE NOTE: Show Management will contact you to let you know if a Handicapped Parking spot has been reserved for you. Remember, handicapped parking space is limited. The sooner you apply the better your chances are to reserve one.

If a handicapped parking spot is reserved for you, a handicapped parking permit will be supplied in your Exhibitor Packet that you will pick up when you move in. No parking passes will be mailed.
